CACI Values Veterans

Did you know that over 36% of our employees are veterans or members of the National Guard and Reserves?

CACI is seeking **OPM Background Investigators**! If you are a highly talented, ethical person with integrity, then CACI is the perfect place for you! Whether you are new or experienced in the field of investigations, CACI is your ticket to a great career. As a CACI background investigator, you'll play a vital role in national security by providing the Federal government with quality investigations on individuals who have applied for a security clearance. Background Investigators work from their home office and create their own schedule. A typical day includes scheduling appointments, conducting interviews at various locations, and typing reports following the interviews.

Level I positions require either a four-year degree or four years of progressive work experience. Level 1 investigators can be promoted within 6 months. Full-time Investigators work 40 hours per week, with an hourly wage plus Health and Welfare (H&W) benefits. Investigators receive mileage reimbursement at the current GSA rate.

To apply to any of the jobs listed below on this flyer, go to this link <http://adtrk.tw/iHQTC> and type in that job's associated Job Requisition Number in the Keyword Search box.

Qualified applicants with an active Top-Secret clearance are eligible to begin work in as little as 30 days. Qualified applicants with an active Secret clearance are also eligible and typically start within 60 days upon a SSBI favorable being granted. Our CACI team has many Background Investigator opportunities available in the U.S. (not just the locations below).
